"7 Tips for Making Good Decisions" — Part One

Episode 131

- Leaders make many decisions a day, so how can we be wise when we need to make big decisions?

7 TIPS FOR MAKING GOOD DECISIONS

1. Anchor your decisions in core values

- Personal core values.
- Organizational core values.
- Values should complete one another, not compete with one another.

2. Be patient, not passive.

- Being patient makes room for wisdom.
- Being patient helps a leader be more proactive, and less reactive.

3. Research options.

- Look at the decisions from different points of view.
