

# FAITHFUL SAINTS

Six words that create beauty out of chaos

Ephesians 1:-14

A declaration of identity is a **NOW TRUTH** that heals the lies of yesterday and today.

"Faithful" is \_\_\_\_\_ we live.  
" \_\_\_\_\_ " is who we are.

## 1. Blessed.

God gives us \_\_\_\_\_ favor.

## 2. \_\_\_\_\_.

God selects you specifically for His family.

## 3. Predestined.

God places healthy \_\_\_\_\_ around you to keep you \_\_\_\_\_ on your purpose and calling.

## 4. \_\_\_\_\_.

God gives you the ability to become who He says you are and to do what He says you can do.

## 5. Lavished.

God is abundant and gives you more than enough.

## 6. Known.

God takes us into His \_\_\_\_\_ and shares with us what He's up to.
